

PURR MICHIGAN

A stylized blue logo of a cat's face, featuring a large 'M' shape for the ears and whiskers, and a small 'u' shape for the nose and mouth.

Welcome to Purr Michigan, where the promise of a daily bowl of kibble opens up a lifetime of possibilities. Where belly scratches can mean delight or despair, depending on the kitty's mood that day. Where 16 hours a day of sleep just isn't enough time. Where laser pointers are a mortal enemy.

Relax, and enjoy the promise of Purr Michigan, where every day seems like a vacation. Welcome, and enjoy your stay.
